

# TIVERTON WASTEWATER DISTRICT

## GENERAL MANAGER'S REPORT

Prepared by: Lisa Andromalos

February 18, 2015

### Community Forum Questions

- Responses to questions sent to Rep. Edwards. Awaiting a few clarifications on responses from town.
- Will be putting answers on website etc once we coordinate with Rep. Edwards

### Transition from Town

- Received final disbursement from town of \$47,800
- Jim Donnelly has has land evidence records and will develop estimate for title work for asset transfer and bill of sale from town.
- Waiting on draft Memo of Understanding between town and TWWD on a number of issues including:
  - Reimbursement for administering septic programs
  - Allowing TWWD to keep truck parked at DPW station
  - Allowing TWWD to buy gas from town (eliminates gas tax expense)
  - Continuing to include TWWD pump stations in electric supply contract

### 2015 TWWD Business and Operational Workplan

- Developed workplan document for Office and Administrative as well as Operational Standard Operating Procedures

### New USDA Grant Application

- Deadline for 2015 USDA Grant Application is due April. Received package from Joanne and will review and work with Sarah/Nan to determine next steps for application.
